Re: Request for Documents Relating to New Bedford Harbor, MA

Dear Mr. Bering:

As we discussed on the telephone, Everest Consulting Associates has been retained by Mary Ryan, Janine Sweeney, Paul Galvani, David McLaughlin, and Verne Vance as a coordinating consultant on the New Bedford Harbor cleanup project. I would like to request copies of draft reports by the Waterways Enforcement Station which are listed as available in your letter of February 9. A copy of the list is enclosed.

Thank you for your cooperation.

Sincerely,

John Allshouse
Staff Engineer
